DECLARATION UNDER 37 CFR 1.131

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

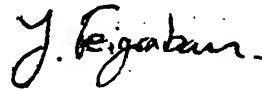

Sir:

I, Idan Feigenbaum, declare that:

- 1) I am the inventor of the invention for which the above-identified patent application was filed on January 2, 1999 (hereinafter "the invention"), and which is a continuation application of U.S. Patent Application No. 09/448,179, filed on November 24, 1999;
- 2) I reduced the invention to practice in the State of Israel, being a WTO member country, prior to October 13, 1999 (hereinafter "the effective date"), being the publication date of the GetRight reference reported in a Notice of References Cited that accompanied an Office Action dated September 9, 2005, in the above-identified patent application, as evidenced by the project history log attached hereto and labeled as Exhibit A;
- 3) On or about September 2, 1999, prior to the effective date, I met with Daniel J. Swirsky, Reg. No. 45,148, and verbally disclosed the invention to Mr. Swirsky and authorized Mr. Swirsky to prepare U.S. Patent Application No. 09/448,179, for which a supporting statement by Mr. Swirsky is attached herewith; and
- 4) I do not know and do not believe that the invention has been in public prior to my application, and that I have never abandoned the invention.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "J. Feigenbaum". The signature is written in a cursive, flowing style.
